BOARD OF TRUSTEE

MESSAGE

The main purpose of education is to provide children with a working environment that brings out the best in them. We believe that every child is endowed with a unique set of abilities and talents, which need to be nurtured so that they blossom. Therefore, every child deserves an education that fosters academic excellence and all-round development and enables their self-fulfillment. We are inspired by these tenets in everything that we do at Angelkids Convent School.

We provide a learning environment that inspires and motivates children and encourages them to explore limitless possibilities in their quest for knowledge. Since inception, our overarching goal has been to make Angelkids Convent a happy school, where learning is a pleasure and learning is a joy, where learning and excelling is a passion, and culture and values have a pre-eminent place.

Our caring and committed teachers are our pillars of strength. They teach our children not just academic skills but also their hearts. They make learning enjoyable and rewarding and imbibe in children the importance of sound values. Our excellent educational programs and our focus on co-curricular opportunities facilitate children's holistic education.

It is my privilege to represent Angelkids Convent as we re-dedicate ourselves every day to ensure the very best education for every child.

ABOUT THE SCHOOL

- Angelkids Convent Recognized by Maharashtra State Board, C.B.S.E. Pattern Co-Educational English Medium School was established in 2004. The school is now up to 12th and planning to continue it to 16th.
- Over the years the strength of the school has grown and today we are proud to boast that we have more than 400 students.
- The intention is to provide a good quality of education to children with in the context of mutual respect and joy. In addition to the prescribed syllabus Music, Craft, Drawing, Painting, Newspaper reading, Abacus, computer, e-learning, yoga, Sports etc. have also been included in the school curriculum. We also adopt teaching by scientific method and modern equipment.
- Each child is a unique individual and should not be bound within limited academic parameters only, but should be given certain freedom and directions to develop as a useful, happy and self-respect member of society.
- The school has a house system. All co-curricular activities are organized house wise.
- Only 30 students in one class.
- The school session is from June to April.

AIM OF SCHOOL

The school aims of nurturing students to help them obtain fulfillment in their personal lives and become useful citizens of our nation. To achieve this, the students' moral, intellectual, physical and social growth is developed by including in their curriculum like honesty, dedication, hard work, discipline and excellence in both academics and non-academics.

PRIVATE TUTORING

Private tuition in the school are strictly banned. Private tuition are strongly discouraged. These undoubtedly make a pupil lazy and irresponsible. If required parents can make arrangements of tuition at home. Parents are urged to co-operate with the school by encouraging their children to diligence and honesty in doing their daily home work which will prevent them from laziness of tuition.

OUR VALUES AND ATTRIBUTES

Our values and attributes, which align with our guiding statements, are integral to meeting a school culture and climate to realize our educational goals.

- Compassion
- Honesty
- Perseverance
- Responsibility
- Teamwork
- Classroom

- Respect
- Determination
- Self-Discipline
- Trust

SMART CLASSROOMS

Experts believe that a person is able to retain more if the medium of instruction also involves of audio-visual cues. For the same, Angelkids Convent has endorsed smart classrooms that use presentations and visually effective content supplements to enhance the learning experience.

ENGLISH EDGE LANGUAGE

English has fast become the language of choice for many Indians as the language is being chosen as the preferred medium of instruction across different countries. Ensuring that students not merely focus on speaking fluently but also with the right action the English Edge Language Lab has been set up to improve proficiency in the English language of the students by means of teaching a fully functional language lab, which utilizes technology to present well-structured modules to students of different age groups.

VISION

Our vision is to build integrated, young students who are capable of fulfilling their dreams and becoming academically rich and capable members of society. Therefore, we aim to transform lives by creating and sharing knowledge, while instilling values that prepare students for tomorrow.

MISSION

We endeavor to foster and nurture the wisdom of tomorrow by creating an environment for students where physical, intellectual, moral and spiritual growth and overall development are given utmost importance. Angelkids Convent treats each child as a unique individual and develops him/her to the maximum potential by providing a variety of learning experiences.
